Third Party Administrative Services

Our TPA services provide a complete end to end solution, from billing and collection (including direct to the insured), and policy administration, through to claims adjudication and payment. Our online enrolment, reporting and claims systems are the perfect tools to service the needs of our customers. We can provide any of these services on a stand-alone basis.

We have the capability to provide our services in English, French and Spanish. This is part of our commitment to providing exceptional service to all of our clients.
